New Business

1. **2021 Proposed Budget:** Mayor Quarles informed the Council that the 2021 Budget will not change much compared to the 2020 budget. The Water Revenue has increased by almost \$20,000 because of Shut-off notices. Mayor Quarles also informed the Council the City will begin looking for a replacement track. The current City track has had several repairs done and will need more.

The Council was also informed that the City has received several bids for the water project. The new meters will have antennas and will have the capability of detecting water leaks and the day the leak occurred. A lot of the old meters are going backwards or not moving at all. The Mayor stated the meters will be coming first and if anyone would like a demonstration, it can be arranged.

The Mayor informed the Council that City Mills Ordinance will be voted on during next month's meeting.

2. **Motion to Adjourn:** After all discussions, Mayor Quarles asked for a Motion to Adjourn. Kathy Dillard made a Motion to Adjourn. Johnny Kelly seconded the Motion. Motion Carried. Motion Adjourned.
